“ *To the Browards:
My thoughts and prayers are definitely with you. I was totally taken back in time when I saw David in the paper recently. I've known the Broward family since they first moved here from N.O. David was very nice and smart. His son Josh takes lots of his characteristics and I hope all of you remember that we are all keeping you in our prayers. Even though it's been years since I've talked to you guys, ya'll are always going to be with me in my heart forever.*
