“ I was one of the lucky ones that got to go with Bruns to South Dakota to pheasant hunt. He use to drive the motor home when we were using it. We could always count on him to drive in case the rest of us had more than our share to drink. God bless the times I got to share with Bruns as we knew him.

“ I only hunted with Dave on one trip in South Dakota. I wish I could have spent more trips with him. He truly was loving and gentle, and devoted to his family. His hunting buddies will miss him. You have my deepest sympathy on his passing.

“ Pat and Chelsea,

I am sorry that I didn't get the info on the service until today. I can tell you that David had many friends that knew how much he loved you both from our South Dakota conversations. He was truly a loving and caring man. The hunting bunch will always remember him and miss him. I wish we had had more time with him and I truly count him as one of my best friends.
