“ I worked with David at Xpress Global Systems and I must say he was one of the most unselfish people and always thought of others. Even if he didn't agree with what was asked of him if he knew it was the best for the team he would insure it was done and done right. He is and will always be a role model and an inspiration to me. It was my honor to have the time with David that I did. My sincere condolences to sympathy to the family.

“ David, you were a wonderful person whom I had never had the honor and pleasure to meet. You made my dear friend Patricia so happy for the short time she had you and I know that the memories you shared with her will be treasures and treasured in her heart forever. I'm sure the angels are celebrating your arrival home but you will be sorely missed in the lives of those you left behind.
