“ So sorry to hear about this. I worked with J.J. In Angola Africa beginning in 2009 until 2012 on Trident XIV. He was a great man to work with and very helpful in learning the processes over there. We all left in 2016 due to cut backs. Fast forward to 2018 and I again get to work with my old friend in the West Texas Oil patch. Needless to say I was glad to hear Ole JJ was coming to my rig. Right from the start the laughs picked up where they stopped in 2016. JJ was one of my favorite company men to work with and was missed when he had to take leave. Rest In Peace my friend, I'm sure Rosie is glad to see you again.

“ So sorry to hear of David's passing. We attended school together and considered him a friend. Go rest high on that mountain surrounded by loved ones. My uncle Eddie Pieper and his family were neighbors of the Fojtiks. Very nice family. Bless you all. You are all in my prayers, Debra Pieper Leslie, daughter of Margie & Daniel Pieper.
