“ Dear Diane,

*It was an honour to have known and worked with David briefly since the past 2years in Kuala Lumpur, Malaysia. A stern, yet kind and sweet gentleman, and a good teacher too! May God bless you and your family. Thank you for informing us the team from Kuala Lumpur of his passing. David shall be deeply missed.*

“ I have great respect for David. I have enjoyed working with him. He always had a reservoir of funny but interesting anecdotes to share regarding his working experience in all the different countries. I guess he used them to teach us ‘young’ engineers a thing or two about work and life. He will be deeply missed by all of us from Technip, KL.

“ I have a lot of fond memories of Uncle David. Riding in his patrol car as a child, playing games and swimming in the near by pool. Most of all, Uncle David gave me my first guitar. I will miss him dearly and my prayers go out to his family.

“ Dear Dianne:

*I am very sorry to hear about loss. As you so well know, I have very fond memories of both of you from the time David and I worked together in Ecuador. He was a very kind and gentle man, very full of life, and so this news has come as a very unwelcome shock to me.*

*May God be with you in this difficult time and give you the courage and fortitude to carry on without David.*
