

David Keith Stark

November 21, 1956 - August 28, 2013

David Keith Stark, 56, died August 28, 2013 of cardiac arrest in Sugar Land after a courageous battle with cancer. He was born November 21, 1956 in Arcadia, Florida to Wesley Stark and Jeanette Whisenant Stark.

Survivors include his wife of 10 years, Susan Stark, his children, Brandy Nicole Zaccari and husband Paul, David Keith Stark Jr. and wife Amanda and Kathryn Lynn Stark, Susan's children, Jeffery Floyd and wife Ashley, Heather Evans and husband Patrick, grandchildren; Colton James Stark, Holden and Isabelle Evans, 2 sisters, 7 brothers and loved by many many friends.

David lived a cowboy's life of coffee, leather and brotherhood. His first love was bull riding at a young age retiring from the sport at 56 years of age but his passion remained. His love for others and passion for simple things are a rare characteristic that will be truly missed. David spent every ounce of his being, blood sweat and tears to the benefit of others. He was determined to leave a smile on the face of everyone he met and seriously never met a stranger.

A Memorial Service will be held Friday, August 30, 2013 at 2:00 P.M. at River Pointe Church in Richmond.

“ God called up a cowboy. A man that will be missed by so many, a man that lived life to the fullest and made a tremendous impact on all our lives. Papa Dave, we will see you again. Thank you for being so good to my mother, an amazing man to our family, and a loving Papa to my kids. You gave so much and I know I am a better person just to have known you. We love you, David Stark.

“ What a great neighbor and great friend. He would keep you on your toes. The stories are too many and too long for here, yet they will remain in my heart. Besides, the written word can't do them justice. I look forward to seeing yall again and reliving those stories and memories. From David's chili bullet racks to dragging that '56 Cat grader pony motor with a tractor, I picked up some neat tricks from him. Dearly missed, and will always be remembered. su

“ I loved David and regret that time and space kept us from spending more time together. He was a family man, and even an aunt by marriage from New Mexico was important to him.

The love he so generously gave to Susan, her children, his children and their grandchildren is one we should all remember.

He was fun, generous, and as others have said: "Entertaining!"

I'll see you on the other side! Aunt Deanne

“ Having met David only a few times through his neighbors, Rankin & Roxanne, we enjoyed the fun times we shared. David had an extraordinary way in making you smile and laugh. He truly left a place in our hearts as I know he did for many others.

Happy trails dear David.

“ I cannot retrieve the words to describe David. Before I even met him he went to the trouble to send firewood to NM, filling his truck up for Susan to drive to me. The first day I met him, I realized how true and genuine he was. David was definitely the entertainment for all. He was kind, considerate and very protective of those he loved. The one thing I do want all to know is it didn't matter what trivial thing you did for David, he was always most appreciative. I know life was hard for David, but my life was certainly enriched from knowing him. I will probably never hear "The Cowboy Rides Away" without a smile, tears, and memory of David. Never say good-bye -- it's see ya!

“ When David and Susan moved into our cul-de-sac they fit right into our tight group. Almost every afternoon David, Stan, Rankin and I would have a beer in one of our front yards and catch up on anything that happened during the day. Many times the girls would join us. We had many great conversations over the years, and solved many problems, ours and everyone else's. If I pulled into my driveway with a load of mulch, David was always asking, "can I help you with that". He was always laughing and many times pulling pranks as everyone in the circle did. David had a difficult life but always made the best of it. He was always thinking of others but never himself. I'll miss his big grin and his fidigitig legs. He just couldn't sit still.

David has been the best neighbor we every had over the past 37 years.

“ David lived and loved his life to the fullest measure. He worked hard to play hard in every sense of the old adage. His happy, fun-loving disposition towards life was infectious to all he encountered. He was one of the most genuine people I have ever known. My and Rankin's lives have been enriched by knowing David. He left an indelible mark on the cul-de-sac. Your love and friendship will long live in our hearts. Ciao, baby.

“ David was my neighbor, my dear friend, and so often my entertainment. I thank God for all my memories I hold dear to my heart, each brings a smile. Such a great loss so many of us carry in our hearts forever. You are loved and missed beyond measure. There will never be anyone that takes your place. David brought so much joy and laughter to our cul-de-sac. Love and will always miss you.

“ Cowboy was the truest example of passion and enthusiasm for life. He gave us a timeless legacy of laughs. His magnetic personality was an attraction to everyone. I have always heard that as long as a person is remembered, he will never die. Doubtless, Cowboy will live on forever. I hope you find comfort in knowing how very much he was loved. I know Cowboy went to sleep and woke up in heaven.

“ Susan and family, I was so sad to hear the news of David's passing. He was always so friendly to me and will be greatly missed. Anytime I pulled into the circle, David was the first one to greet me, hollering at me from the driveway. And, if he wasn't outside already, he'd be over as soon as he could to say hello. May he live in your memories and his smile fill your hearts. Lots of love, T. R.

“ My condolences go out to the Stark family and friends. I met David's oldest daughter Brandy, back in the 6th grade. We came up with the clever idea to forge each others father's name to get out of participating in P.E. One whole semester I was David Keith Stark and she was C.B. Harden. I'm not sure how we pulled it off but we did. From that time on we became best friends. I also remember the time he called me "Canvas" instead of Candace. Still to this day I think about him when I hear the word. It's a fact David will be dearly missed however, We all have some pretty awesome memories that will last in our hearts forever.

“ I have known David for over 30 years. He was the kind of person that made you laugh even if you were mad at him. My niece, Brandy was the apple of his eye, "his baby girl!" May God be with each and every family member and bring peace knowing that one day you will be with him again.

“ David was a kind soul, full of life and laughter. He always had a story to share or a joke to tell that would leave you with a smile.

He had more friends than anyone I know and if you knew him, you couldn't help but love him.

I'm so thankful for all the good memories and grateful for our daughter Brandy who has his ability to love.

I am sure David was greeted by his family and friends who had gone before him and I can hear him say "fire up the grill and lets have us a cookout".

He touched a lot of lives and will be missed by us all.

My thoughts and prayers to his wife, children family and friends.

“ Uncle David, you are the best uncle a niece could ever ask for! I wish the distance between us was a shorter journey. But some day I know I'll see you again. Ones life isn't measured in years or in time, it's by memories and the impressions you make in this life. Uncle David made a lasting impression and he never met a stranger. He loved without holding back and lived a life worth celebrating! I love you. You are forever in my heart; until we meet again

“ David,

The world will know a lot less laughter with you no longer among us. I was told once that as long as a man is remembered, he will never die. Doubtless, you will live on long after many of us are forgotten.

I shared many rodeos and other adventures with David, we had our ups and downs, and shared a lot of life's experiences growing up, most good, and some not so good. I knew David since we were in the 2nd grade. Though time and distance and circumstances separated us, I am happy that when he passed he knew from our recent conversations how much he meant to me, and that I was a little richer for having known him.

To those family members and friends that remain behind, my sincere sympathies to you all. Know in your heart that this life is not the end, and another life awaits us without sorrow, separation or pain.

Goodbye, my dear friend. I will miss you. Rest in Peace
