“ *Grandpa,
Our hearts ache because you are gone now. I will hold our special moments we spent together in my heart forever. I am so grateful that my daughters got to have their own special memories with you because not many children get to bond with the great grandfather the way mine got to bond with you. We have been truly blessed to have you in our lives as long as we did. You are missed and loved by so many. May you rest peacefully in paradise now my sweet angel. Grandpa, we will dance together again when I see you in paradise. I love you and will have you in my heart forever grandpa.*
