“ Aunt Martha and family we are deeply saddened and would like to express our condolences on the passing of Uncle David. His passing will leave a void in our lives, he will be missed by all of us. He was a "Rock" that you could turn to for good advice or easy conversation. I did not realize until the passing of my parents, how much help he had to offer. Possibly with his passing we can become a closer family and get to know each other better. We all send our LOVE and sympathy, Jay, Marcia, Mandy, Micky, Olivia, Page, Trevor, and extended family.
