*Beautiful service. To all of Debbie's family and friends, Today is the day you will be laid to rest,
But you know what they say,
God only takes the best.
Everything happens for a reason,
Even if we may not agree.
Just promise to look after us,
And if you can,
Save a spot up there for me.
The thought of never seeing you again brings tears to my eyes,
And even more so,
Because all of this was such a surprise.
But we should never question what God has planned,
Sometimes it's not meant for us to understand.
So as we sit here and mourn the loss of a beloved friend,
We have to keep telling ourselves that we will meet again.*

“ Debbie needed some judges for the Ft Bend County Fair and I provided a car load of judges for her and her team each September for a few years. I am so blessed to have known Debbie. She had a "bigger than life" personality. If Debbie was in the room, you were drawn in to her happiness for the moment. I know that there are lots of people who will miss Debbie and yet, she does not know how many people she touched with her willingness to "give back" to the community. My prayers and sympathy to the entire family, especially Shelia as she is family. May God wrap you in his embrace and comfort you during this time of loss. Don and Patsy White

“ We moved next to Peggy and Harry (Debbie's parents), then Debbie and Glen became our neighbors. She and her family, became our family during the years that we lived in Rosenberg. I enticed her into coming with me to work at the Fair, which turned into a lifetime commitment. We are still in disbelief and are thinking of you all during this time, We will keep you all in our prayers, Love you all, Steve and Donna Bryan
