“ To work with Debbie was an honor. She was always happy to lend a hand, to listen, and to give advice when needed. She was more than just an amazing coworker, she was an amazing person to her core. May she rest in eternal heaven, and may she continue to watch over us all.

“ I never had the privilege of meeting Debbie. I simply knew her from Lamar HS and from her brother Troy. The world will be a bit smaller without her in it. May she rest in peace and may the family find comfort in the knowledge that she will reap the promise of our Lord. May she walk the golden streets of Heaven and prepare a place for her family.

“We first met Deb when she became the Secretary at George Hr. High, and we became steadfast friends (and Family) from that moment on!! To know her was to love her- she had a positive impact on every life she ever touched!! Debbie was smart, kind, energetic, effervescent, hardworking, efficient, and always greeted everyone with her sweet smile; going over and above to help in any way she could!! Above all, she was a loyal and dedicated professional and friend, a fantastic wife, mother, and grandmother, and she dedicated her life to making life better for everyone she loved!! Rest In Peace, Beautiful Debbie!! You are deeply loved and will be etwrnally missed!! 🙏❤️🙏

It's been said that secretaries are the core of a school, and this was evident with Debbie Urbanski.

She knew everyone's job responsibilities on her campus, knew all district policies and procedures like none other, and helped make successes of so many co-workers and students.

She was also the one person I knew that encouraged and was eager to help plan, develop and offer district trainings for secretaries that were new to the district or that came into a different secretarial position...

Perhaps she got tired of the district sending everyone to her for help 😊

As an administrative secretary myself for LCISD in the Staff Development Dept. and having worked with Debbie, I had great respect for her work ethic, her knowledge, and her strong leadership-type personality that was so well suited for the positions she held...

Rest peacefully in Jesus's arms, Debbie...
