“ *Knowing Debbie for over 40 years I have fond memories of her as a hard working nurse, early on working along side the famous surgeons Micheal DeBakey and Denton Cooley among others. As a cherished friend she was always ready to attend the livestock show and rodeo, the renaissance fair, the Astro dome or summit for an event. Her house was always filled with music and laughter. Her kindness and spirit and great hugs will always be with us. Love you Deb. John McCaffrey 🍀*

“ *Debbie was a wonderful neighbor! I loved getting to hear about living in Pecan Grove through the years and also listening to her nursing stories. It was a pleasure meeting some of her teased friends in her final months and days. She loved her animals and would use funny little voices to talk to them. I will sincerely miss Debbie but am thankful for these special memories.*

“ *Debbie loved her neighbors, multiple friends and animals. We bonded over our labs, Raven Sue and Lucas Mac. Weekend mornings were spent walking our dogs, sharing family stories and planning our next weekend adventure. She will always be remembered for her laugh, kindness and generosity. Her neighbors on Windmill Drive will miss her but never forget the fun times she shared with each of them.*
