Sometimes I wish that we would of been raised in Rosenberg so that my siblings and I would of had the opportunity to have been closer to our Ortega Family ... However it didn't matter the distance because when your Family distance makes no difference on how much LOVE ❤️ is shared ... I will always remember my Aunt Delfina as a woman with a heart full of Love ❤️... And the story my mother shared about How she was ready to take me home from the hospital nursery hahaha ... I am grateful to have had the opportunity to pray with and for her .. I know she is rejoicing with our ABBA Father and dancing on the streets of Gold .. What a reunion it is ... To my Morin Family .. I love you all and praying for Gods strength and his peace be with you all during this time ..

in Jesus name I pray .. Amen
