“ *Miss you mom! It's a weird feeling that I do not have to go to the nursing home to get your clothes to wash, or you always telling me you need air freshener.*

*By the way, I got accepted into the Clinical Social Work program at UH : I just wanted to let you know.*

*Love ya, lady*

“ Please accept our condolences on your loss of your loved one. She is so young and I know she will be missed . Thank you for thinking of us. The flowers were delivered today and they are so beautiful, much like Delia. We will think of you every time we look at that gorgeous plant. And the residents will enjoy the two beautiful arrangements. Thank you again and may your memories help you get through your loss.
