“ Tia Dee we Loved you so much, you were my Tia but also, a Mother to me & Grandmother to my 3 sons, Casey, Joshua & Travis. We will cherish the times at our home making Homemade Tortillas with her. She had a Heart of Gold, so kind & generous to everyone. She loved all her sons, daughter in laws & grandchildren so much. I still can only have coffee, half hot water ,half coffee to this day. She taught me so much about love, life, kindness & forgiveness. We will cherish her always.

My deepest condolences to all our Family.

May God be with you Vicente, Joe Henry, Joe & Adrian.

Love yall always, Debra Salinas Spachek, Donald Spachek, Casey, Joshua & Travis Spachek.

“ Aunt Delia, though we didn't see you these last few years, I have amazing memories with you. You were so much fun to be around. You always showed up and were there for us always. I remember your funny stories and that awesome pachuca talk when no one was around! You always told them how it was like it or not. Your honesty was your greatest gift. Thank you for being there when Lucas was born and for making us feel like one of your own. I appreciated you always. I hold those memories in my heart. You are forever loved and sadly missed. Thank you for sharing some of your life with us. Rest in eternal peace 🙏❤️ Melissa & Lucas Chavez

“ There are so many memories of Aunt Dee. She was an incredibly generous, loving, funny, sassy, independent, playful, dancing spirit. She made the best flour tortillas in the world. She has been there for the good and the bad. Since she was fifteen, when she came all the way to Georgia to help her brother's wife - my mom Daphne - with the new baby...me. She traveled to DC when I had surgery so I wouldn't have to stay in a nursing home. She was there for all of us and holding my mom's hand when she passed away. She was there for all of us and holding my dad's hand when he passed away. I cannot begin to name all the wonderful memories too. She will be missed dearly. Thank you to everyone who made her last year's good ones. May her children and all her family and friends find comfort in their memories of the amazing woman she was.

“ She loved visiting her loved ones back home. My two younger kids called her Cinderella because they could not say her name. Even till this day. She will be missed dearly. May she rest in peace. Condolences to family..
