“ Dear Cindy and family,

It is difficult to lose someone close to us. If there is any way I can make things easier for you please let me know.

I'm praying for you and your family to have peace and strength. I know all your memories and family and friends will be a big help.

Love you all,

Debbie Storm and family

I love this Penny poem. I have picked up many Angel Kisses.

*I found a penny today
Just laying on the ground,
But it's not just a penny
This little coin I've found.*

*Found pennies come from heaven
That's what my Momma told me,
She said, "Angels toss them down"
Oh, how I loved that story.*

*She said, "When an Angel misses you
They toss a penny down,
Sometimes just to cheer you up
To make a smile out of your frown."*

*So don't pass by that penny
When you're feeling blue,
It may be a penny from heaven
That an Angel's tossed to you.*

“ Our hearts are heavy in this time of loss, but weep not that she is gone, but celebrate the life and rejoice in the fact you shall see her once more. Love never withers, but becomes stronger and on that fine day when we meet again, our love will have grown ten fold. We love you and miss you.

“ Grandma,,

It's hard to believe that i will not spend another birthday with you. I wont see you at christmas for dinner and then hear the same service they display every year. I wont be able to see you when i graduate and see your proud smiling face. Now all i have to recollect are the memories and things you have taught me through spending my years with you. You have taught me how to play uno and make the best fried chicken around. But most importantly you taught me how to appreciate the small things in life and create memories that are worth while. I will never forget you and the things i have learned from you. You mean the world to me and i am glad that i got to spend these last few weeks with you. I love you.

“ *What an honor it was to have my Mother in my home the last 3 weeks of her life, I know that I tried and hopefully succeeded in taking care of her and showing her she was loved. Nine weeks ago the problem with my mothers foot started and we tried our best to doctor it and get answers, the main focus of my mom was to die with her foot and she did. Thank you God! My wish for her is that she is finally at peace. I will miss her and I loved her dearly.*
