“ Scott, Todd, Clay and family,
I was very sad to hear of Delores passing and offer my sympathy to you all. She was always like a second mom to me and I enjoyed our visits throughout the years. She always had something baked to share and talked of you guys and the grandkids. She was so proud of each of you. Thank you for sharing her with me as a second mom for all these years. She was the first person I went to when mom passed and we sat for hours talking about mom. I will miss her so much. My thoughts will be with you all during your time of grief and God hold you close.
