“ Aunt Dolly,

I dedicate the song by Kenny Rogers, "You Decorated My Life" to you.

Little Karen Sharp

Uncle Peppy,

I will pray for you to have strength. You and Aunt Dolly's love to each other was where one ended the other began. A perfect example of what a real marriage should be. I'll always think of you both that way. I commend you and want to thank you for sharing such a wonderful woman to me and all of us. I have total gratitude to you, Uncle Peppy for giving Aunt Dolly the love that most people in life search for their whole lives. The love you gave her and she returned brings tears to my eyes, because it taught me that there is no limit to loving your partner and showing them the beautiful things in life. I cry for your loss and hopefully one day I will have the same love given to me, but I seriously doubt it.

You were like two peas in a pod and I love you both equally. This family gave me guidance, forgiveness, structure, day to day normal life, how to have fun in life, acceptance, and most of all, unconditional love. I'll be looking at the moon, but I will be seeing you, Aunt Dolly.

“ I knew Dolly from when I lived on the other end of Fairchilds Creek and would walk down the creek length to swim in the Vacek's pond. Sometimes Diane Shabrasula Ernest now Patty and Dolly would be there together. Surely she will be missed.

“ To the family of Dolly Rutter: We had the pleasure of camping with Dolly and Don in Sommerville. We saw her briefly after that. She was a warm, lovely and very brave person. We never heard her complain about anything. Our hearts go out to all of you in this difficult period. God Bless you all.

“ Thanks to the Rutter and Martinez family for including me as a part of the family since I was 9 years old. I appreciated and still appreciate the times that I spent with the family and have known them for over 25 years.

Aunt Dolly was a constant, never changing, and loving person to me as a child growing up. She always made time to listen to my constant jabbering because she knew how sad I was inside.

Each person in this family is like a ship at sea to me that keeps it afloat, and that is why it is so important to me when we loose each family member. I will forever be grateful to Aunt Dolly and every single person in this family.

I am not afraid of death anymore. Now that I know I have so many people that love me that are already in Heaven waiting for me.

I send love and strength to the whole family and all of Aunt Dolly's friends. She will be missed dearly.

Sincerely,

"Little" Karen Sharp-Moore
