“ Will miss running into Delphine in our little town of Beasley. Always nice to do a "catch up" on our mutual friends. First met Delphine when he lived in Crabb and our family lived in Booth which made us neighbors and schoolmates from elementary through Jr High years. Later in life our paths crossed again when we worked at Geo Source and Halliburton in Houston sharing many good memories there as well. Please know our thought and prayers will be with each of you.
