“ My cousin Jr. Such a great cousin. My beautiful and cherished memories are those phone calls. Distance was not an obstacle. We would talk about the Lord, family, our health, his job, many things that we both appreciated. We could talk for a good while. He would also remember to wish me Happy Mother’s Day, Merry Christmas, Happy New Year, etc. I knew he thought of me and also of my husband whom he called Pastor Jerry. So much respect for and love for us. I will miss my cousin very much. So sweet and attentive to me always.

*I will see him again one day! Praise the Lord!*

*Prayers for my cousins and family at this time. Love y’all very much.*
