“ My heartfelt sympathy to the entire family. I met Dennis (and Robin) in the late 80's when I worked for Fort Bend County Clerk Dianne Wilson as her Admin Assistant. Dennis was such a nice gentleman and always came into the County Clerk's Office with a friendly smile. It was truly a pleasure knowing him. I'm so very sorry Robin. Praying for you and your family.

“ I am truly sorry for your loss. Dennis was someone who loved to laugh and enjoy life to the fullest. I could always tell where Dennis was because he had the most wonderful and unique laugh. He so enjoyed spending time with his Uncle Joe so that they could play numerous pranks on big Bobby. I know that my cousin was a fine man and someone that was looked up to and admired. I will miss him a great deal and know that we will all be together once again some day.

*Robin, you and all of your family, are in my thoughts and prayers.

“ I have had the privilege of knowing Dennis since the 1980's when he was the Chief Juvenile Probation Officer of Fort Bend County. He was a great friend and mentor and I was fortunate to serve under his administration as the Assistant Chief. Dennis genuinely cared for his employers and developed a family atmosphere in which to work and excel. It was one of the best times in my life and for the life's of those that he touched. He will be greatly missed. My thoughts and prayers go out to Robin and family.

“ Although I have not been in contact with Dennis for some time, I remember him as a very kind hearted person. His father and mine (Earl Wood) and our earlier families went fishing together many many times. I remember one instance where Bobby McAfee was on a shrimp boat and was looking up at all the sea gulls following the boat when Bobby received a healthy portion of bird poop right in the mouth. Bobby said he was spitting for most of the day. I'm sure Dennis got his yearning for fishing from his father. Dennis comes from good stock and I'm quite sure Dennis will meet "up there" with his father.

You're a good man Dennis!!!!  
God bless and my sympathy to the family,

Fond memories,  
Gary Wood

“ Dennis was so much like Bobby, and I know he wanted to keep the McAfee legacy alive. I know there isnt any words right now that will remove the hurt & sadness in your hearts. But in a short time, when life resumes, and the emptiness is there, turn those moments into joy. Next month, go celebrate his birthday. Wear one of his hats. Pull a joke on someone as he did. Go fishing in his honor. Remember the laughter, joys and memories you had together. It then will begin to not be so painful. You will always miss him, but continue his legacy into your own family. Love you all! Janet McAfee Rogan

“ I'm deeply saddened to hear of the passing Dennis. He was such a jovial person and a person that found so much joy in helping others and making others feel good. I'll never forget the MANY times he would play tricks on me.....such a prankster! I've never met a happier person. Robin, I'm so sorry! I didn't realize Dennis was so ill. May all the fond memories of your life together bring comfort to you. And to all of Dennis' family, I know you will miss him terribly. I'm keeping you all in my thoughts and prayers. God Bless.
