“ *Perhaps they are not the stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know that are happy.*
-Author Unknown

Words seem inadequate to express the sadness we feel about Uncle Dennis. May the peace which comes from the memories of love shared comfort you now and in the days ahead.

“ *Dennis and I had electronic's class together our junior and senior years in high school. He was always so sweet and always had a smile. It made me very sad to see that he has gone Home, but I know he's happier than we can ever imagine. I pray that God brings comfort and peace to all those who loved Dennis.*

“ *My heart is broken; how can this be?
My little brother has been taken away from me.*

*As a kid I always protected him; but this time it was not to be.
I won't ever hear him say again. "Hi, it's me",*

My little brother is gone; he's no longer here with me.

“ *It's so hard to believe you are gone! I will miss our conversations and reminiscing about the good ole' days. Although our heart aches we are glad that you are no longer suffering and have been healed in Heaven. I know you are there with all our loved ones and are waiting for us just as we discussed. Devin, Grayson and I love you Dennis (aka Uncle Ben).*
