“ *Dennis, it is hard to imagine life without you. You are the first person I think about in the morning and the last person I think of before I go to sleep at night. I miss talking to you every day, I miss our lunches at your favorite restaurants. I can't go to some of them now, it hurts too much. I miss your hugs and silly sense of humor. We had so much fun together no matter what we were doing. The past three years of good memories will be in my heart forever. I will see you again someday in heaven. I love you Sweetheart.*

“ *Dennis,*

We are sadden by your departure. We understand sometimes friends can't see what we feel inside and we hurt that you hurt so much. I only wish we knew. Our friend loved you with all her heart and still does. You will be missed.

“ *My heart & prayers are with all of the Williams family. I met Dennis @ the age of 16, many many years ago. He was so full of life, loved to travel especially surfing throughout the U.S. & other countries. I had the pleasure of re-uniting with him June 25, 2012 in Kerrville, Tx. Dennis brought me so much joy & comfort in the last 4 months with his amazing sense of humor & charm as he always had. I loved him dearly and will miss him very much. May your rest in peace, Sweetheart!*

With Love,
