“ *She was always there for me and would always fight for me. She made sure that I had the best education. I remember one I was going through a difficult time and could not control my anger. I started punching things and my fists were all covered in blood. She saw me in my distress, grabbed ahold of me around my neck and just held on with the biggest hug ever and did not let go until I was calm. She was not perfect but to me she was the greatest mom ever. Thank you God for choosing her to be my mom.
Love Michael*
