“ Doug,

Alicia and Patrick want you to know how sorry they are and how much they will miss Diane. Alicia still cherishes what's left of the baby blanket both of you gave us at her birth. It has been at her side for 27 years, when she turned 25 what is left of that much loved blanket was put in a shadow box and is in a place of honor in her apartment where she sees it daily. She cherishes it even more now, for all of the memories it holds. Both her and Patrick remember all the Christmas' and the home barbeques. Both extend their sorry, their prayers and "an extra hug just for Doug". They love you both and always will. They asked me to pass their sorrow & prayers on to you.

“ Doug,

Our hearts go out to you and our prayers are lifted up on your behalf. It seems like a bad nightmare that this is happening. We will miss her so much, her smile, her laughter and her compassion for others. She loved you Doug and we wish we could have reached out somehow and prevented this. Know that we're here for you always. Our kids send their love to you as well.

May you feel God's love surround you. Sandra & Wes Flarity
