“ Sharon & Linda,
Mom got in touch with me this afternoon to say Ms. Dolores had crossed over to Glory. I have such fond memories of being in her home, as she always made me feel a part of her family. I remember how much she loved the photo of you two sitting in the Bluebonnets, and said she wished the photo could have been in color. I remember hearing your doves coo all the way down to our house. In my memory, Ms. Dolores will always have a smile, wearing an apron and letting me eat the remainder of her Nabisco 'Chicken in a Biskit' crackers. Strange what the childhood memories that remain with us.
Sending love and encouragement,

Dearest Sharon & Linda - our love is with you on this beautiful day. Your mom was an amazing lady who possessed so much grace and class. She was the perfect role model for my mom, Betty Ann and her twin sister, Billie Jean. The love between them remains strong and inspires me to want to share that kind of closeness with both of you, always. Love you so much!
