

Dolores Ann Sbrusch

Dolores Ann Sbrusch was born in Beasley on September 16, 1939, to Charlie Sbrusch Jr. and Lillie Janecka Sbrusch. She died on August 6, 2022, after a courageous battle with cancer.

Dolores enjoyed life and was quick to smile. She was a woman of wit and commitment to her family and dedication to her community. She had an unwavering faith in God. Dolores was a friend who took time to listen to the problems of others and offer advice when asked. She was generous, thoughtful, and caring. Dolores was a lifetime resident of Beasley, a member of St. Wenceslaus Catholic Church, St. Anne's Altar Society, SPJST lodge #28 and served on the Beasley City Council. She retired from Lamar CISD after 31 years of service. She retired as a student nutrition coordinator. After retirement Dolores went back to enjoying her farm, gardening, genealogy, and baking. Her kitchen was a repository of love and welcomed friends and family who came for conversation, supplemented with homemade goodies such as cinnamon rolls, surprise hamburgers, dill pickles and sausage kolaches.

Dolores is survived by her sister, Ardis Sbrusch Bacak of El Campo. Great niece Brooke Bacak and great nephew Brett Bacak of El Campo. She is also survived by her "adopted little brother" Dennis "Butch" Sbrusch his wife Beverly and their children, her extended family, Raymond Jr., Kathy Witek, their children and grandchildren, Larry Sr. and Donna Witek and their children and grandson, and Ernest Natho and Nancy Witek Natho , Also numerous cousins and friends.

Dolores was preceded in death by her parents, her sister Bernice Sbrusch Steinocher, dear friends Raymond Sr. and Lillie Witek and her dog "Lulu" a rescued terrier. At Dolores' request any donations will be given to the Beasley Volunteer Fire Department and ambulance service in Beasley. They really helped her in her time of need.

“ My condolences to the Sbrusch family and extended family on the passing of your loved one Dolores. I have fond memories when I was young spending time with the entire Sbrusch family; her parents, her twin sisters Ardis and Bernice and her. She was always a jolly person with a wonderful sense of humor, the life of every gathering. I was a bridesmaid in both Ardis and Bernice's weddings. Dennis, their cousin and I also enjoyed some great times when we were younger. Butch and Dolores were a lot alike always wanting to live life to the fullest. My aunt, Margaret Zahn also sends her condolences. We are having a Mass said for Dolores at St. John the Baptist Catholic Church in Hungerford, Texas in the near future. She will be missed. May she rest in peace and let perpetual light shine upon her. Mary Lou Krenek, Egypt, Texas

“ First of all I would like to send my sincere condolences to the family. My MIL was in the hospital across from her. One day my 12 year old son was speaking to someone and when I went to go see who it was I noticed he was talking with her. They were full of joy and laughter. The next day my son wanted to bring her a rose so we picked out a yellow rose. When he took it to her she was telling him they are forever friend's because yellow rose meant friendship. Our hearts were broken to see her room emptied one day. The point of this is that we fell in love with this lady in a very short period of time and know we met her for a reason. My son feels she's his forever angel now. Once again..... Our sincere condolences....

“ Today people are paying tribute to an individual who will be deeply missed. Dolores meant so much to so many. She was someone on whom you could depend to keep her word and follow through on promises. I am so sorry that I was not able to make her memorial service. Shirley

“ Aunt Dee, you were a kind lady filled with a lot of knowledge and courage. You were very tough!! I always enjoyed it when momma and me came to visit while I gave you a haircut. It was always interesting talking to you because you were wise about a lot of things and you could relate to mine and Paul's lives as farmers. God knows you worked very hard on the farm even when you had your job at the school. We will miss you very much, but we know you are with God and all our loved ones in heaven. No more suffering with cancer and you are healed of the crippling arthritis. Please watch over all of us here on earth during these dark and sad times. Love, The Freund's

“*Dolores was my bus driver when I was attending Beasley Elementary. She scared many of us with her desire to maintain order which I didn't appreciate fully until I drove a bus. She was a great friend to my entire family and we loved her like a sister. Rest In Peace and enjoy your new home with the angels.*”

You were a special lady with a heart of gold. Even though missing you will hurt, I'll always think of you with joy because of the light you brought to so many lives.
