Please remember these words of encouragement from the Bible: “ Jesus plainly told her: “I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.

“ *I only had the privilege of meeting Mr. Bercher once when I was a young adult, I knew his son from school and he admired his father, and that in turn showed me that he had to be a special person to have made such an impact on his family, friends and extended family! He was definitely one who lived life and had so much to offer back to his community! My thoughts and prayers are with his family and friends.*
