“ *I am very sad to hear of the passing of such an outstanding person. I worked for Don in high school on and off, and even worked for him when I was home on leave when I was in the army. I am sorry for the loss the family has suffered. I'll always think of him as a pal, and a mentor.*

“ *I am stunned with Don's passing. He was a fine man. As a fellow eagle scout, I am fully aware of the discipline he had to have to achieve that goal. Don did that all through his life. He, and I were almost the same age.*
I did business with Don since he opened the store. My deepest sympathy goes to his Mother and children. He will be missed.

“ Don was a fine man, and fellow eagle scout. He was dedicated to the feed store which he did a excellent job at. He, and I were almost the same age. The loss of his life shocks me. He will be missed.

“ I will miss him. He always had a smile and never met a stranger. My Favorite memory was when I was a Game Warden I walked into the store and asked him for his permit to sell Bluebonnet Seeds since they were the State Flower. He threw up his hands and said he didn't have that permit. Gotcha. I eased out as both of us laughed!

“ Dear Brehm family,
We met Don thru our youngest son who worked for him at the feed store his junior year in high school.
That was over 14 years ago . We soon understood the love and respect our son had for Don . The world around us is less without him. But I trust he is in God's garden after much suffering and this is a comfort. A true gentle man and we will miss him.
We send our deepest and most sincere thoughts and prayers to all the Brehm family
Gods blessings.

“ *I went to visit Don a couple of weeks ago. He wasn't very talkative and dozed mostly while I spoke with his daughter. When I got up to leave, I told him I was leaving. Then I reached out and shook his hand. I told him don't do anything crazy. He looked at me and asked "Like what?". I told him don't run through the streets naked. He replied "Been Done".*

“ I wish there were words that make these times easy. I'll cherish my memories of a really neat man, and his grin will be permanently ingrained in my mind. His family can take pride in the lives he touched, the people he helped, and the memories he's left behind. Thanks for sharing him with us.

“ As a young adult I bought my very first saddle from Mr. Don and I still use this saddle today. I had the joy of working with him as a vendor at my current place of employment his gift of customer service and knowledge of his product was amazing he will be missed.

“ I only knew Don for a short period of time, but it felt like a lifetime. We talked about a lot of stuff as cutmers came and went in his store. He treated everyone like friends. Answered any questions and would go out of his way for everyone. Wish I had the privilege to know him longer.

“ My husband and I were customers of Don. We enjoyed stopping in to buy dog food and treats. He was always a joy to be around. We loved our chats about anything and everything. He was always so helpful and kind. You just felt better after stopping in. His death is not only a loss for his family, but the community in which he lived and worked. We are better for having known him. We'll miss you, Don. 💔

Tom and I both adored Don. His happy smile and robust laugh will definitely be missed. Don was also very generous in his support of the foster children of Houston Achievement Place. We wish his wonderful family all the best as they grieve his passing.

Don was my friend in high school. He was always a stand-up guy and the world will not be the same without him. Love and tight hugs to his family. Though the pain is awful right now. I hope we can find some measure of comfort in that we will all see him again someday.
