“ *Such a special person who was made by a loving God for His special purpose. Don's home in Heaven was ready for him and God sent a special angel to make make the journey to heaven, with him. Don's life is celebrated here on earth - even though family and friends are filled with grief and mourn his presence no longer with us, the Lord will be with all... all the way.*

“ Donald was the first member of our band. We met wile playing with
the West Houston Community Band and decided to form a big
band. Knowing Donald was a great pleasure and as well as his
wonderful drumming. He will be missed by all. The family will be in
my prayers and wish them the Love to make it through this trying
time.

“ You always felt better for having talked with Don, a man to whom negativity seemed a foreign concept. We will miss him for this and for so many other reasons. God took him from us far too soon, but that's how it is when you're a great drummer â€“ always in demand. Rest easy, Don. Your memory is safe in our hands, even as we extend them now to Sharon.

“ Mr. Payne came highly favored with his God and with family, friends and co-workers. I found him to be a very "special" man and very gifted person. He cherished his time with wife Sharon and family. He spoke of his love of playing musical instruments and entertaining on weekends when not working on Parole. He touched my life and I believe him to be a very beautiful person and a gift to all he came in contact with. I found him to be very friendly and easy to talk with and very helpful at work. I worked with him at the Rosenberg Parole Office. My heartfelt sympathy to Sharon and family - and may God fill the void - but, remember you will always have your love in your heart and that is where he will be when ever you wish to speak and share with him how he touched your life. The love in your heart is the one thing that death can never take from you. God Bless You all.

“ Sharon - Our hearts are filled with sorrow upon hearing the news about Donny's passing. He was such a sweet and kind man. My mother and I both appreciated all the help he has provided for us around the house. Our most sincere condolences go out to you and your family.

Donny – Never did I think I would miss the sound of you mowing the yard every Saturday morning while I was trying to sleep. I will miss seeing your smiling face and waving to you every Saturday as you tended to your lawn.

I hope you are my neighbor in heaven because you were the best neighbor on earth!
