“ *My heart goes out to Vicki and all the Mayo family.*

*The tears were oh so slow to start  
For they came from deep within my heart  
I cried the day I lost you  
The blessing was that GOD cried too!  
And that's why it rains.  
Poem by Margaret " Dinky" Culmer.*

*They same time heals all wounds, this is a misnomer, it only serves to cover them with scar tissue made up from all the other wounds we have suffered in our life.*

*At first it is difficulty to make it through the day, then you are able to make it through a minute or so without thinking of your loved one. A few months later you might make it through an hour and soon you will make it through the day but you never forget those you have lost.*

*But we count ourselves fortunate to have had the opportunity to love them at all.*

*It's not where you go in life, it's who you meet along the way. I am so glad that my path crossed with Donnie's.*

*Dawn Marie Bauman. Affectionately called " Durn Marie" by Don Mayo.*
