“ We are keeping you all in our thoughts and prayers and are truly sorry for your loss. Donna taught both our girls in 2nd grade at Woodcreek. Our oldest is now in 9th grade and remembers her teacher fondly as she was one of her favorite teachers in grade school. Our youngest had her last year so she is very dear to her heart. We will truly miss your warm hugs and sweet smile. When we see a cute little ladybug, we will always think of you. Thank you for loving on our girls and teaching them well. Rest easy and we hope to see you again one day and get the biggest hug!!

Love,

The Tangs

“ My heart is heavy, I had the privilege of seeing Donna at the Needville High School Reunion a couple of years back. We caught up on life. She always had a beautiful smile and always positive. Steve and to the Zwahr family, my heart and soul is with all of you during this time. We glorify Donna and lift her up for the queen that she was. Our wonderful heaven has gained a beautiful Angel. Peace, comfort, and love to all of you.
