“ *Hi to Donna's family,
I could not believe it when I read that Donna Gunther Kelly had passed away. I had an email from her saying that she was to be in Oswego for a wedding this summer. Our class reunion was suppose to be held the end of July beginning of Aug. Because she was to go to the wedding we would not be seeing her at the reunion but she and I had planned to get together for lunch during her stay in Oswego. The last I heard from her she asked me if I would be at Farmer's market on Thursday evening when she was in town. I told her that my Sister and I would be there and hoped we would see her. I never heard from her again. Donna and I were friends in high school but had not kept in touch for many years before I heard from her this year.
I am saddened to hear of your loss and of our dear friend.
Please know that our hearts, thoughts, and prayers are with you during this difficult time.*
