“ Donna was my tutor for about 5-6 years when I lived in Menlo Park. She was amazing in so many ways. She was always so caring and friendly, she really believed in me and was always very supportive of my studies. I will always remember her for being one of the best people I have ever known, she dedicated so much time to help me. I will always have love in my heart for Donna. She was instrumental in my development at an early age, and I will always be thankful for the time spent with such a lovely person, both inside and out. Much love to the Shaw Family!
