“ *To Rich and the family, please accept my sincere condolences. In the short amount of time I've spent with Donna, there are a couple of things that stand out and that was her love of traveling and the special recipe she carried with her for her Cosmo cocktails. She has now taken a journey that none of us were expecting but rest assured, she'll greet us at the gates when it is our time to join her. May you rest in peace sweet Lady.*

“Donna will be greatly missed here in our conscious reality. She brought to all relationships she had a tone of stately grace, warm and loving friendship, and an adventurous excitement. Her inner strength to overcome all hardships was unparalleled. I loved her and will miss her. I look forward to reuniting with her in the heavenly realms when my time comes. God bless and comfort those that knew and will be physically without her now. I empathize, respect and honor that tremendous loss.”

Loving you so,
Shawn Dorn

“ Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: “ Jesus plainly told her: “I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.
