“ I just read of Donny's passing and am very saddened. I have fond memories of being in the band at HHS with him. He was section leader for a time, and I know I must have driven him crazy with football questions. I remember him as patient and kind. May God bless your family and give you comfort and peace during this time.

“ *Donny Hughes was my best friend for over 40 years. A better man could not be found on this earth. He loved life and enjoyed it to the fullest. He was a funny man with a quick wit, and always fun to be with. A family man who demonstrated unquestionable honesty, intelligence, hard work, and love of life--these words would best describe Donny Hughes. He was the best archer I have ever known. To watch him shoot was to view a true artist plying his skills. I will miss him forever.*

“ Our family was only with Donny in person a handful of times, but each was so special. Christmas 2013 when we first met, so our kids could introduce our families to each other. Several visits to Houston and San Antonio last year to support Donny, and to help plan the wedding of Patrick to Charly. And the wedding itself - so many precious memories of spending time with family and friends, of Donny's words and prayer as best man, of Donny dancing with his bride, and the reception and beautiful family gathering in Rosenberg. Even though this past year has been one of trials for Donny, Pat, Morgan and Patrick, and all who love them, there have also been moments of great joy, including the knowledge of a grandchild yet to be born. Donny's memory will always be with us, and together, we'll pass on his legacy to a new life. Pat, Morgan and Patrick - we are so sorry for the loss of Donny. Please let us know if we can help you in any way. We love you and look forward to seeing you soon.

“ *No man is an island,
Entire of itself.
Each is a piece of the continent,
A part of the main.
If a clod be washed away by the sea,
Europe is the less.
As well as if a promontory were.
As well as if a manor of thine own
Or of thine friend's were.
Each man's death diminishes me,
For I am involved in mankind.
Therefore, send not to know
For whom the bell tolls,
It tolls for thee.*

John Donne wrote this in 1624 and the words still ring true today. Donny was a fine human being and a wonderful man. We grieve with all of those who loved him; and all of us will miss him. Rest in Peace Uncle Donny.

“ *Pat, Morgan and Patrick*

My thoughts and prayers are with you as they have been over the last year.

How do you put into words what a friend like Donny meant to your life? We have been best friends since about 5th grade, as teenagers we did everything together. Although our adult lives took us many miles apart we have never lost the special relationship God blessed us with. Donny has always been more like a brother to me not just a friend. Thanks to Della Raye, Donny and Butch I am assured of my salvation and where I will spend eternity. Donny has left a godly legacy for his family and friends to follow. One day soon we will be together again. Until then as Donny always told me so I say to him Love you Buddy. Tommy
