“ I'm sorry I'm so late in offering my condolences regarding the death of your Mother. She and my mother, Alice Oberrender were roommates at the nursing home. I always enjoyed visiting with Doris when I visited with my Mom. She and Mom always watched the cooking show and commented to each other about different recipes. They always looked out for each other and would call the nurse when one or the other needed one. She was a wonderful lady and will be missed by all. Mabel Williams
