Being at Peace

When a person is ready and they have made their peace with their family and everyone is at peace, then sometimes it is better to let go. Some people cannot see that and when the time comes, they hang on too long. That can be hard on everyone. God gives you credit for knowing the difference and when they say I Love You and what you need is whatever God has in mind...

“ *Want to say I love you all and you are all in my thoughts and prayers. This beautiful lady is now in heaven, singing the praises of our Saviour. And seeing all those whom have gone on before us. She is no longer struggling. She was a wonderful lady and Shannon I know she was your best friend and this is a tough time, but know that Jesus is there to comfort each and every one of you. I am here if you need anything. Carlene, I know you to will miss her greatly, just remember all the great times and they will bring joy to you in this time.*
