“ Prayers for your entire family for peace and rest. I will always remember the day we (Bonnie, Doris and I) went years ago to Warrenton and took the golf cart so that it would be easier to get around. Then the sheriffs office got onto us for riding where we weren't supposed to. Doris went from laughing, shopping and having a good time.....to waving her cane at the officer and for getting onto us. She was recovering from knee surgery I believe and happened to have a cane. We laughed so hard about that. Good times.
