“ *Mina, we miss you dearly. We will always cherish all the good memories we have of you. Thank you for being there for us!*

In My Pocket

*I have memories in my pocket.
They rattle among the change.*

My memories of you are treasures I carry wherever I go.

*They are stored in bits and pieces, parts of a beautiful whole
They give me comfort when I think I am alone.*

Yes, I have memories in my pocket, like so much other stuff I keep there.

But of all the treasures I have, it's the memories of you that are the most precious.

*Love you always,
Anna, Isabella and Christopher*
