“ I had the wonderful privilege of working along side, Ms. Dottie.. She was my upstairs buddy and was always quick with her smile, laughter, and advise. She will be greatly missed by me and I find this hard to believe that she is gone, it seems like just yesterday I was giving her a quilt and hugging on her. I will always cherish my time with knowing how much of an advocate she was for the patient, she shared her Irish roots with me, from Notre Dame foot ball to her Irish stew and of course corned beef. Thank you God for allowing me the opportunity to know this sweet lady and know that she is not suffering with her legs,nor her back. There are no more tears and she is up in heaven having a good ole time. Love always and forever, Lauren

“ Tribute - Dorothy Patterson Albright

Hello, my name is Angelina Juarez and I had the pleasure of getting to work alongside Ms. Dottie at Pucillo Family Practice. I wanted to take the time to write a tribute and say that she was the most incredible person I've ever met. She was always very kind to me and I had the pleasure of having wonderful and memorable conversations about Nursing and the Catholic Religion. Talking to her as a young lady I was always left in awe of her words and to me it was beautiful. The way she spoke about life truly made me believe that she was fulfilled. For that reason I knew at that moment that I wanted to be just like her and one day speak so strongly of a life fulfilled like hers. I also want to say that she made me laugh and smile all the time with her jokes and witty attitude. Specifically one conversation I'll never forget is how she was telling me that she would eat a can of pears every night. It always made me laugh because she was someone who was very curt and did everything in her life with intention. The way she cared for people inspires me daily to care for people like she did. I really look up to Ms. Dottie and I hope to be half as great as her one day. I know she is smiling from heaven and for that reason I am grateful to have known such an amazing woman like her.

*My condolences to her family,
Angelina Juarez*
