“ Jan & family: I loved your Mom. She was my friend, a teacher, an inspiration. The first time we met I was a patient at skilled nursing healing from broken everything. I was very cranky and that sunshine that was Miss Dorothy checked on me and visited and lifted my spirits. She had that effect on everybody there. She and others at SN inspired me later on to volunteer and our friendship grew. I couldn't wait for Wednesday's so I could be w/Dorothy to plan and execute activities for the patients. Trips to Hobby Lobby were a blast and we couldn't contain our excitement planning new projects. I loved how she talked about her children, I knew most of you by name. You had a special mother, granny, great granny, great great granny. I should have told her more often how much she meant to me, so now I'm telling you. I LOVED DOROTHY FREDRICKSON.

“ Words cannot express my love to the ones that made me a big part of their lives when Judge and Miss Sue stepped up and would not let me be alone when Cowboy passed away. Miss Sue and I would call each other when we left the hospital or rehab where ever our spouses were to check on each other. We made so many memories together. We laughed at some of Judge's cases no names mentioned just his ruling on the case. I always told him Judge write this down your family is going enjoy reading this. To his siblings Thank you.

I first met Dorothy when she was Nany Schultz's care taker. I loved her from the moment we met. She was awesome with Nany and Nany could be little one way, her way or no way! We would get together and have coffee after Nany passed away. when she went to take care of her parents we just saw each other on occasion.
