“ Just heard about your loss last week. When I started playing duplicate in 1997, played with Dorothy and Joyce Givens here and at tournaments. We both had fires about the same time, and had lots to consult about. I am so sorry I didn't know at the time of her passing. I would have been there to meet all her family. She will be missed so much.
Sincerely, Helene Rudick

“ It had been many years since I had seen Dorothy and I was fortunate enough to have her as a tax client. I enjoyed the telephone conversations and the visits that happened this year. Dorothy was a very kind, fun-loving, caring, non pretentious person who loved her family, treasured her friends, loved God, and enjoyed the simple things that brought her and everyone around her such joy. She will be missed, but remembered by many.

“ Kenneth and Michael, I was so sorry to hear about your mother. She is in such a better place, now. Know all of you have really suffered-first with David and now with your mother. I am so sorry that I can not be with you-our grandsons are in town. I loved your mother-she was a "different" kind of person!!! She could always tell you what you did NOT want to know!! She was very straight forward. Dorthy was Dorthy. Love, Carol Ann
