“ *We loved Dorothy like an Aunt. We can't think of her without thinking of our precious Mom, Nell Rose (Bettin Garrett). They were like sisters. When we first moved back to Rosenberg (divorce) Dorothy and Willard took us in as their own. I remember many meals and games of Life at your home. You girls were SO kind to us. She was SO broken-hearted to lose your Dad-the love of her life- Willard. But she pressed on. She always had a shoulder for Mom to cry on. When reflecting on childhood memories your family is a huge part of it ❤️ We will always be thankful to you and your Mom's loyalty and friendship to our Mom. Extending love and hugs to you all. “ To the entire Kulcak family, Rosie and I are so sorry for your loss. You all know, that Willard and Dorothy were our second parents. We have been Sargent next door neighbors for over fifty years. Your mom always waited up for us to return to the dock after fishing and always great conversations from porch to porch. Always cutting up and laughing about every topic in the world. Teaching her not to kill every snake she saw in the yard (I worked for the zoo). She didn't like it, but she respected my request.LOL. She was a grandmother to my two girls. Rosie loved cooking and sharing with Dorothy, meals & desserts. She would say " Oh Rosie, this is so good,you are spoiling me". Rosie and I will always remember you, waiting for us to arrive from Houston or fishing, it was like going home when you're a child and felt safe that someone was there to love and welcome you. Dorothy, we know you are at peace , being with Willard that you have missed for so long. Much love Dorothy....

“ *Marsha, Sheila and families*

Ms. Watson was a wonderful lady. I have fond memories of your mom when we were growing up fishing & crabbing in Sargent, having Camp Fire Girl meetings at her house, helping with Bible school at church and so many more things that brought joy to all of kids.

Our parents are at the top of the list of loved ones. Losing your mom is like the end of the world as moms are just special in every way! May you always feel her presence with you.
