“ My prayers and love are with you April. I lost my mother almost 10 years ago and not a day goes by that I don't wish I had her to talk with. Knowing she is safe and loved in the arms of Jesus is my comfort. Take all the time you need and know I care and love you.

“ Sorry for reaching out for the first time under these circumstances but I wanted you to know that all of you are in our thoughts and prayers. I remember many a day sitting at the house on Front St waiting to go to school and the summers hanging out where Aunt Dorothy kept an eye on me while the folks worked. By remembering the good times your mom will be in our hearts forever. Shelley, the kids and I will be there in spirit.
