“ To the Finch Family, I do want to pass on my condolences. My interactions with Doug showed me Three attributes that has to be passed on. First, a helper to all. This was seen at any opportunity when asked for help with any situation handed his way. Second, a teacher. Doug always was able to direct or instruct anyone who would listen especially on mechanical situations. Third, Positive attitude. Each time I spoke to him, he did not hesitate to ask how my family and I was doing, and asked me to come by when time allowed.

Rest In Peace My Friend.

“ *Loved Doug. Know that he loved his daughter and family and his Lord with all his heart. He was an extremely loving and loyal friend to many and will most certainly be missed. Many years from now when we are all gone many will know Jesus because Doug was here these 74 years. Until we see Doug again in our final HOME, God bless.*

I just learned today of Doug's passing. I was introduced to Doug by Bob Gilmore as we used to sell equipment and supplies to his alternator shop. Doug was a great guy and I really enjoyed the times we talked so late that we went to dinner before we went home. Doug could have us laughing without ever trying to be funny. I miss Doug and Bob just thinking about it. God bless Doug and his family.
