“ *My best memory of Doug was the day I meet him. I could not wait to meet this fantastic man that had captivated my daughter Linsey and her family's hearts. His laughter caught my attention before the introduction. This laugh will last forever in my memory. His kindness was enhanced by his smiles and laughter. He will dearly be missed for his presence in our lives brought much joy and a sense of peace. May you rest in Peace dear friend.*

“ Doug had a laugh like no other - it was booming and was recognized by all who knew him. I fell in love with his intellect and perhaps, just a little, his resemblance to Dustin Hoffman. I will carry him in my heart forever. He gave me two beautiful children and I know they are his best legacy. -Nancy

I was telling the kids just the other day about his laugh. It was just like his dad's. Unforgettable for sure. ❤️ I can remember him rocking in that chair at his parents, throwing his head back roaring with laughter.
