“ Doyle died a week ago already, and I still can't believe he's gone. My heart hurts every day. My 10 year old daughter, Emma, was so sweet on him, and she misses him a lot, too. I'm hoping for some divine intervention from Doyle when I need help with the trees he gave me this year. I'm so grateful to have known Doyle and will never forget him. He was a very well-loved man and so committed to our community. If anyone in his family ever needs anything, I would be honored to help in any way I can. Thank you to them all for allowing me to share in his touching funeral services & burial. I love you, Doyle.
