“ During the summer of 1987, I was lucky to leave the Chicago area and meet Dustin for the first time, and in that time alone Dustin became like family. We were only about 10 and 11 years old and it was definitely one of my favorite childhood memories. We went to the water park, the beach, a WWF match, watched movies, etc., and it was Dustin's presence as a friend that made the time unforgettable.

“ I had the pleasure of knowing Dustin on a personal level and while working with him at the Hilton. We both shared fun moments together. I consider him as my brother and he referred to me as his little brother. My prayers and my condolences go out to all of his family. Dustin will always live in my heart and I will always remember him and his dirty jokes.

“ My heart just broke when I saw the obituary and Dustin's picture in the paper. Although we hadn't seen him in several years-his smile truly did light up the room. We met Dustin when he worked at Ruths Chris. He worked so hard and always tried to do the right thing. He was a very impressive young man. Our whole family thought so much of him. May God bless your family and hold you close during this very sad and difficult time.

“ My heart goes out to the family. I worked with Dustin at the Hilton and I remember how ambitious and hardworking he was. I had alot of respect for him. I remember how he would work one job during the day and then work with me until 2 in the morning. I definatly respected his drive and determination. He will be missed

“Dustin, My son, I will miss you so very much. God blessed me when you and your brother Travis came into my life. I will cherish always the memories watching you grow into an intelligent young man and a loving, caring brother to Travis and son to me. Your passing leaves a great void now in my life. I thank god you came home to visit and talk last week and we were able to party at your brother's house and all spend a little time together. Little did I know that handshake and hug goodbye on that night would be the last. Rest in Peace my son. I will forever miss you

Love, Dave

“Dustin, I'm so thankful for the time we spent together. You always looked out for me when we lived together in middle/high school, even when I didn't want you to. I think that's why we had a more brother/sister bond than just cousins. I feel very blessed to have visited with you last Friday and for my children to have had time with you. I hope you had a great life filled with joy and love and I pray your soul was saved so we may meet again. I will forever cherish my memories of you and keep them close to my heart.

“Dear Minick Family,
I knew Dustin via my husband John. He & John worked together as bartenders @ Ruth's Chris and we kept up with him quite regularly thru the years after Ruth's. I will never forget that he always had a smile for you and it lit up the room. He will be deeply missed. God Bless his family & friends during this trying time. I deeply regret that I will not be able to make the services, as I will be out of town.
My Deepest Sympathies,
