“ I met Eddie when he was partners with my uncle in a gas station back in the fifties. My mother was Olga Fojtik and was born and raised near Beasley. She met/married my Dad in Houston and we moved to the Rio Grande Valley in 1949. Like most people I liked Eddie from the first time I met him and I would hang around the gas station when I visited Beasley in the summers. My condolences to the family. Randy Davis

“ My thoughts and prayers are with all of ya'll. Eddie will be so missed by everyone. He was such a special person to the Parks Family as well as Marzeline and the rest of the Texas bunch. When we moved to Texas we did not only make wonderful friends, we made our extended family. I can sit here and recall so many wonderful times we all had together and they will never be replaced but will always be in my heart. I only wish I could of seen Eddie before this but I am thankful for the time he did get to come to TN and stay. He was so good to all of us and will be greatly missed. I can say that my dad had a true best friend in Eddie. I love you all and wish I could be there for support. If any of you need someone to talk to please call me 6157963438 and I will be a good listener.

“ The one memory that stands out in my mind about Grandpa Eddie was going to the cabin and riding three wheelers. That always made daddyCharles happy. My dad lost his best friend Eddie and I hope Eddie knew how much he meant to him and all of us. We will deeply miss him and will remember him forever. May he rest in peace.
