“ What can you say about someone you grew up with from Mother Goose Kindergarten to the day one of us passed on? For over 70 years Allen and I were friends that would do anything for each other. We attended kindergarten all the way to graduating from Lamar High School. Along the way we had more fun than the law allows. On more than one occasion he saved my little butt from being pounded by some much bigger guys that neither of us even knew! He sure knew how to scare me when he would drive fast while I closed my eyes and prayed....a lot. His parents moved behind mine and we spent a good deal of time playing and as we got older doing some road trips. We never had to worry about how we felt about each other. We always ended our conversations with, "I love ya buddy." He raised a wonderful son that needs no DNA test to prove who his dad is...spittin' image of each other for sure. Brandon has Allen's good looks and manners most his age have yet to learn. I know Allen has his wings now and I hope to see him again in the here after...providing I am not wearing asbestos underwear!!

I love ya Buddy....Gordon Koenig

“ Allen Benton, Gordon Koenig, Richard Torres, Cecil Peschel, Charles Roehling, Larry Turner, Steve Samford, and I. We all had wonderful times together. Allen really loved the Oldsmobile 442 and the great times we had in it. The great times we had at the dances at Riverside Hall. I will really miss him.

“ I was so glad to visit with Allen at our Lamar Consolidated High School reunion a few years ago. Though struggling with the loss of his wife Judy, he looked forward to time with his family and tending to his beautiful yard in La Grange. I will miss his big heart and twinkling eyes, especially when talking about his grandson Landon. Allen, you were such a great classmate, always involved, upbeat and the center of fun!!
